Pilot experiences

- Pilot start: 24 March 2014
- More than **50 registration emails** received!
- Until today **17 standardised passenger and crew reports** were received by Mohacs Border Police
- Next task: Electronic **automatic forwarding** to police information system for checks

International importance

- First harmonised electronic river passenger list based on European standard was designed and implemented **for Mohács Border Port!**
- It was introduced to the ERI (**Electronic Reporting International**) **Expert Group** with very positive feedback.

INFORMATION EG coordinates:

- Analysis of ***reduction of law enforcement administration burdens*** for inland navigation, simplification of reports
