

# Joint SCAN Threat Notice on Serious and Organised Crime directly linked to the Danube River

---

DARIF Extra Workshop, Budapest,  
13<sup>th</sup>-14<sup>th</sup> May 2014

Jana Smiejczak  
Europol  
Operational Centre

# Key Findings

# Recommendations

- Cross-border actions enhanced by risk profiles
- Data cross-checking (e.g. with Europol data bases)
- Intelligence-led interdisciplinary approach (incl. criminal police, customs, border police, sea port LE)
- Connecting with specialised networks for combating specific SOC threats (e.g. EnviCrimeNet)
